THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI GINGEE N. RAMACHANDRAN): (a) The IRDA has informed that at present there are 7 new entrants in life insurance and 5 in non-life insurance.

(c) The Government has prescribed high bench marks for capital and solvency margins to allow only competent, credible and committed players into insurance sector. This has resulted in only large and experienced Indian and Foreign Companies acting as promoters of Indian Insurance Companies. The IRDA has notified a number of regulations on various aspects to regulate and develop insurance industry. With the entry of Brokers as intermediaries and Third Party Administrators in the Healthcare Field further impetus to growth of insurance sector is expected.
